Members desiring elected positions, not already qualified by their current position, will be required to attend a 2-hour course for 12 consecutive months within their local Masters/Past Masters and/or Matron and Patrons Council. Enrolled members will be given general information on the expectations of new officers up to and including: organizational rules and regulations, department hierarchy, fraternal life, etc.

All enrolled members will be required to attend and pass courses administered by the Officer School of Instruction to obtain certification which will then make them eligible to be nominated for elected positions in their Lodges, Chapters and Concordant and Appendant Departments.
