Re: 76th Annual Communication - General Information

I bring you greetings and salutations. The administration is currently working on preparing for our 76th Annual Communication and as such it is necessary that communication be distributed to the membership. This communication will address the following items:

- Grand Session Registration
- Session Transportation
- Monday / Wednesday / Friday Evening Attire
- Souvenir Journal

GRAND SESSION REGISTRATION

As of September 1, 2018 we have a total of 105 pre-registered attendees! I am both proud and appreciative of the absolute cooperation this program is receiving. With this advance information your administration can properly and professionally prepare for your arrival. This is how a 75 year old organization should operate!

Please be aware that we are comparing both convention registration with hotel reservations. The differences between the Gold and Silver Packages is whether you are staying at the host hotel. We understand that some maybe rooming with others and if that is the case make sure your name is on the reservation.

If you have registered for a Gold Package and your name is **NOT** on the hotel reservation, you may be subject to the increase Silver Package price.

The registration team has been directed to check all names to ensure compliance. We understand there are many different rooming situations and the team is prepared to address them. Integrity is paramount!

Please do not argue with the staff! They are instructed to perform a task of verifying the name on the registration with the names on the hotel reservation.

All convention registration MUST be received and processed (not postmarked) on or before 12:00pm on Sunday, October 28, 2018! Absolutely NO checks will be accepted after Monday, October 22, 2018

SESSION TRANSPORTATION

A transportation team has been developed for those that wish to utilize this option. The rate is \$50.00 round-trip with vehicles leaving the Los Angeles Hall Monday, October 29, 2018 @ 6:00am and returning shortly after the conclusion of the business meeting Monday evening.

For those coming from the Northern area on Amtrak or other public common carriers that need rides from Los Angeles Union Station or other public stations please contact transportation immediately to arrange pickups. Waiting until you get there on Monday morning will not work out in your best interest.

For information contact Ill. Allan Caldwell, 33° cell: 323-895-5040 or email: groomrite@gmail.com.

MONDAY / WEDNESDAY / FRIDAY EVENING ATTIRE

An enormous amount of 'attention to detail' is being applied to the events of the week. We understand that packing for a week long even can be an issue and packing correct is highly desirable.

As such we would like to provide you with as much information about the events as possible to assist in helping you pack efficiently.
